SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

Title: SFS 7-150128DP
Crash Reconstruction Training for Traffic Engineers

Description: The Missouri Department of Transportation has determined that only one source, Northwestern University, Evanston, IL can furnish the Department with crash reconstruction training for traffic engineers. It provides them with the knowledge of crash investigation and reconstruction so that they can assess the quality of data collection and analysis contained in police crash reports as well as teaching traffic engineers how to conduct independent investigations. The training is not expected to exceed \$20,000.
